PLANT'S CHOICE ORCHARD MULCH

PRODUCT REFERENCE: OMR200

(Please state the product name and reference number when specifying and/or ordering)

Plant's Choice[®] Orchard Mulch is a premium quality hardwood mulch that is produced from clean orchard trees.

It is medium brown in color and is specially screened to be mainly between 1 inch to 2 inches in size (some minor amount of oversize and finer materials should be expected).

This mulch is an excellent material to use for achieving a special and long lasting manicured and natural look. It is suitable for use as a ground cover for weed abatement and water conservation. It is ideal for slopes and pathways. It is easy to apply and use with drip irrigation systems.

Plant's Choice[®] Orchard Mulch can be applied with Plant's Choice Mulch Blowing Equipment.

Please review a sample of the material before ordering.

A Plant's Choice professional is available to answer any question(s) you may have and/or to assist you with the use of Plant's Choice[®] Orchard Mulch.

Specification data subject to change.

Limitation of Warranties: Seller makes no warranty of any kind, expressed or implied, regarding the materials; and all warranties, including any implied warranty of merchantability and any implied warranty of fitness for a particular purpose, are hereby excluded. All sales are subject to the Plant's Choice Limitation of Liability Terms, Mulch Blowing Terms, and General Terms and Conditions.
